

Five Years of Failure in Music

KICKING DOWN DOORS

Introducing: Fail 1 & Fail 2

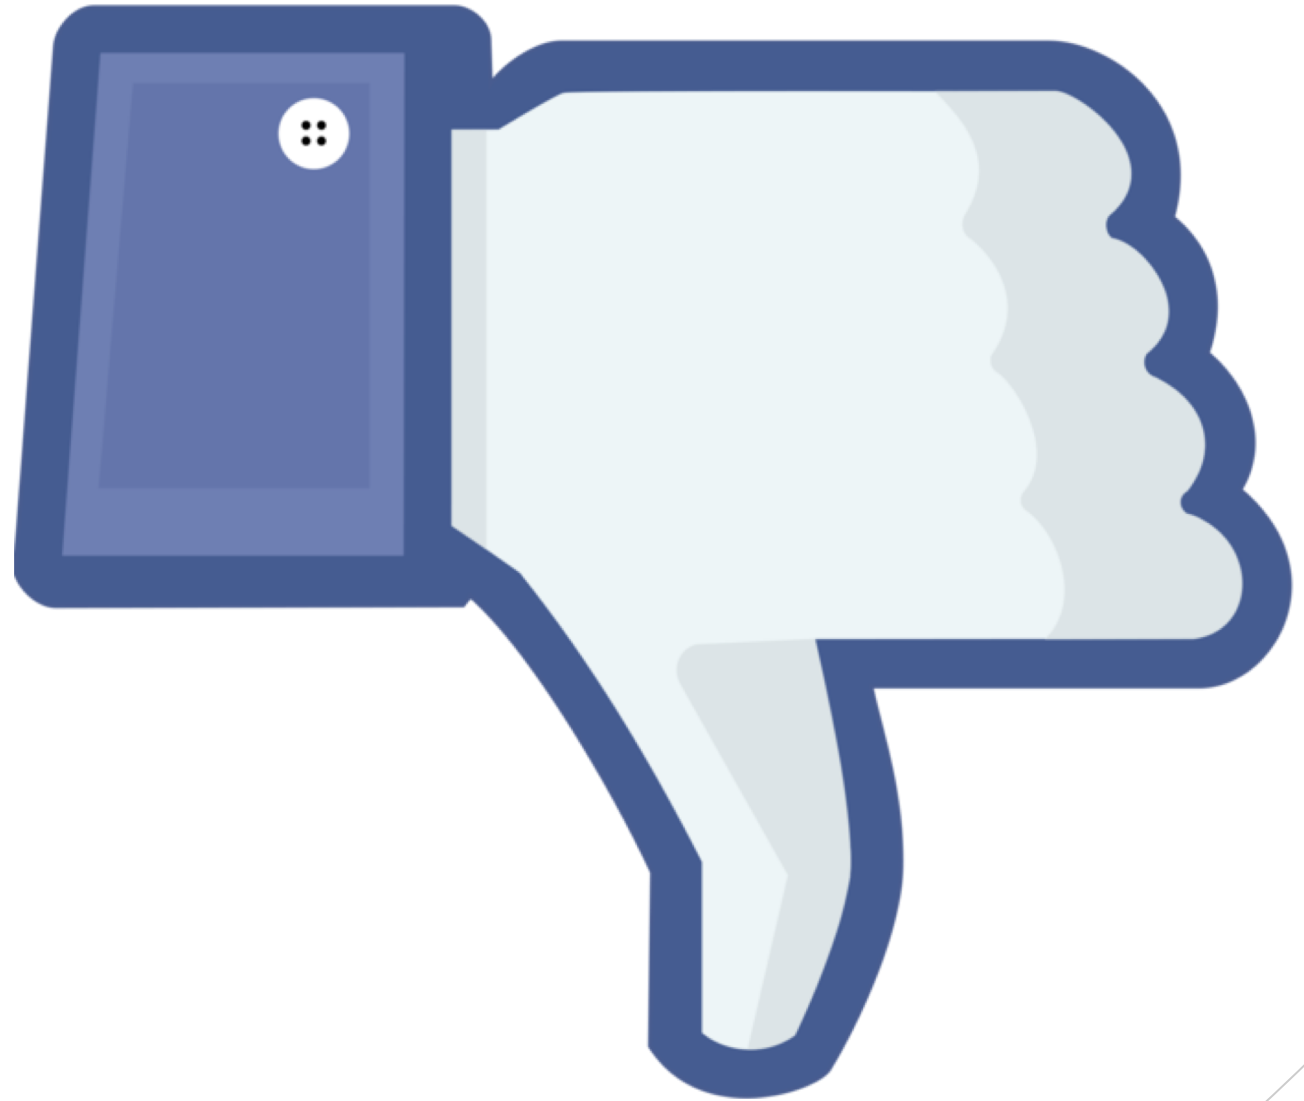

The Dedicated Fail Patrol

Worst Practices 101

Our band broke
up once via
Facebook
Message...

We spent all our money to record fancy-ish...

...With no plan to distribute fancy-ishly.

We forget to
bring our
merch...

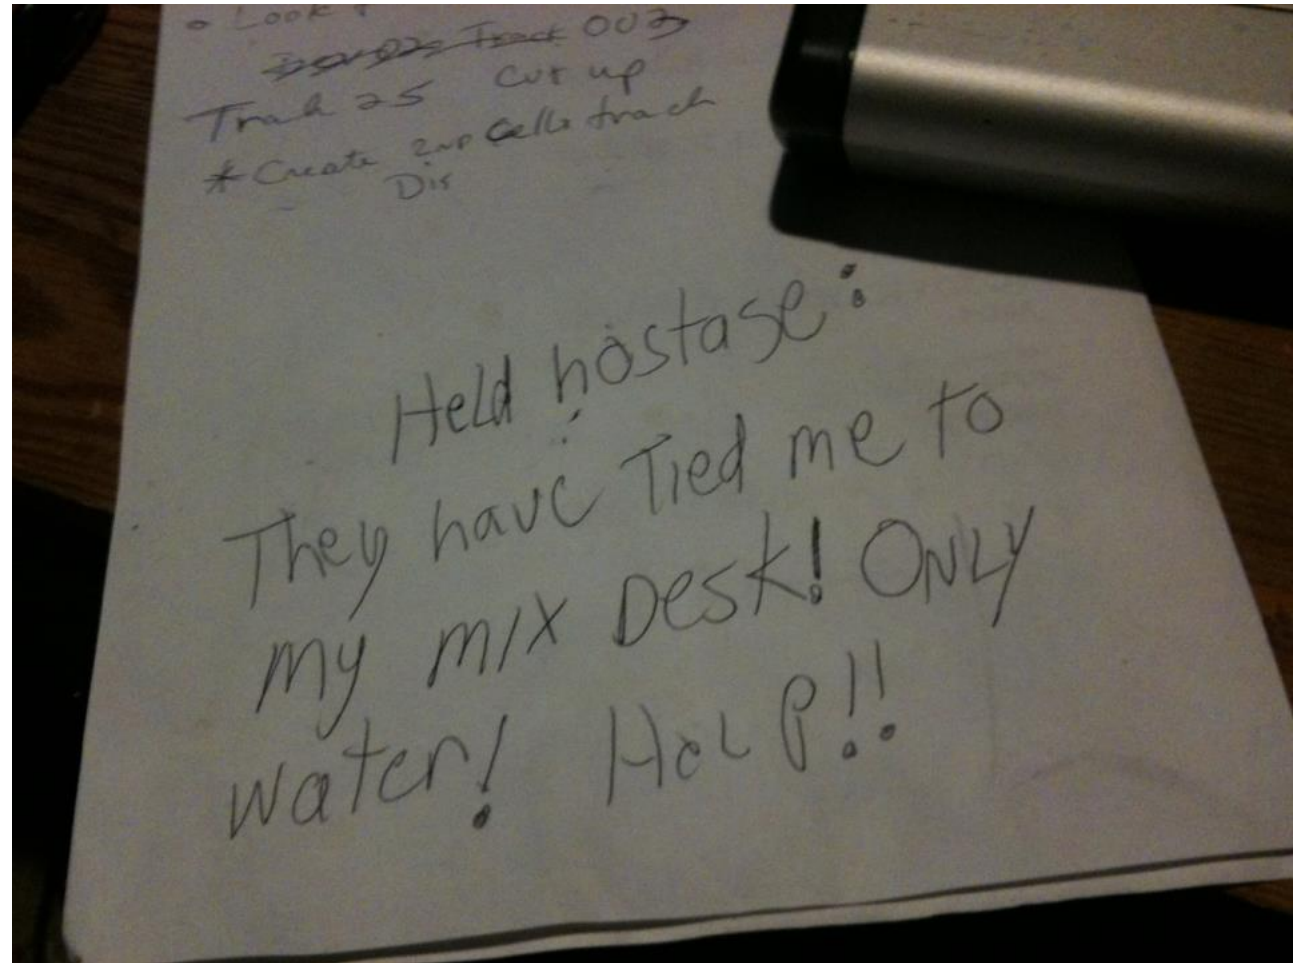

But the home studio and big dreams...

LITTLE SPIDERS STUDIO

...keep the lights
on by an
invisible thread.

...And we keep re-iterating and open-sourcing sound...

...Even when we
think our
opportunities are
dead.

Our failures
Kicking Down
Doors over five
years continue...

Because we won't
stop creating.
Nope. Never. (At
least not yet.)
